                WID STAFF

SUBJECT: YOUTH COUNCIL TRAINING FOR TRAINERS SCHEDULE

Attached for your information is the schedule for *Youth Council Training for Trainers* compiled by the Local Training Response Unit of the Workforce Investment Division. This schedule is being published so that interested local workforce investment areas may take advantage of the training site that best meets their needs. These sessions are intended for staff responsible for the development and operation of local youth councils. The training provides information and tools to enable local areas to fully develop and implement youth councils (please refer to Workforce Investment Act Information Bulletin WIAB00-8).

These training sessions take place from September through November 2000. The two-day training for each host site is scheduled from 9 a.m. to 4 p.m. Please contact the host site for specific location of the training and to reserve a space for attendance. If an issue of available participant space arises, we may schedule additional training sessions in January 2001.

For inquiries about the *Youth Council Training for Trainers*, please contact Joy Allender, at (916) 654-8782, or e-mail her at jallende@edd.ca.gov.

/S/ BILL BURKE
    Chief
